

**Bay Path Regional Vocational Technical High School** proudly announced the formation of the Bay Path Hall of Fame in September of 2017. The Hall of Fame committee, headed by Coach Rick Carrero and Teacher Jennifer Reil created a committee of dedicated individuals who garner participation from the public and the student body to participate in the Hall of Fame nominations and ceremonies. Under the direction of the school committee and administration, the Hall of Fame committee has developed a policy to scout for individuals from any area of Bay Path leadership, not only athletics. Additionally, the Hall of Fame committee is preparing to designate a part of the building to honor our inductees for years to come.

The first ever Hall of Fame Banquet will take place on November 24, 2017 at the Auburn Elks Club. Tickets are available for purchase for this event by contacting [jreil@baypath.net](mailto:jreil@baypath.net)

The first inductees are as follows:
